

# US Presidential Elections for Another World

Tuesday, November 2, 2004

## Non-US Citizen Ballot

**I vote for Bush / Kerry**

**I boycott US Corp.**

<input type="radio"/>	As a consumer I accept that my money is used to fuel wars, environmental destruction and human rights violations. <b>I buy Bush donors:</b>	<input type="radio"/>	As a consumer I do not want my money to be used to fuel wars, environmental destruction and human rights violations. <b>I boycott Bush donors:</b>
-----------------------	--	-----------------------	---

**Altria (ex-Philip Morris), Exxon-Mobil, Chevron Texaco, Pepsico, Coca Cola Company, McDonalds**

**I demand that the US:**

**I demand that the US:**

### Peace

<input type="radio"/>	Use their unilateral policies and continue the military occupation of <b>Iraq</b> .	<input type="radio"/>	Withdraw all forces of foreign military occupation from <b>Iraq</b> and respect the sovereignty of the Iraqi people, as well as their right to compensation for damage caused by the economic sanctions and Gulf Wars I & II.
<input type="radio"/>	Continue to support <b>Israel</b> and use its veto UN resolutions in support of <b>Palestine</b> .	<input type="radio"/>	Stop supporting Israel in its violations of the human rights of the <b>Palestinian people</b> , including their unalienable right to self-determination.
<input type="radio"/>	Disregard the competence of the <b>International Criminal Court</b> and pursue bilateral agreements to exempt US citizens from the court's jurisdiction.	<input type="radio"/>	Recognise the competence of the <b>International Criminal Court</b> to prosecute war criminals.

### Weapons of mass destruction & Disarmament

<input type="radio"/>	Continue to use <b>double standards concerning Weapons of Mass Destruction (WMD)</b> as it continue to produce, test, stockpile and threaten to use WMD.	<input type="radio"/>	Stop the use of <b>double standards!</b> The US uses <b>Weapons of Mass Destruction (WMD)</b> as an excuse for going to war, while it continues to maintain and develop its own massive stockpiles of WMDs (see following Treaties).
<input type="radio"/>	Continue to research and develop <b>Ballistic Missile Defence</b> .	<input type="radio"/>	Abandon their ' <b>Star Wars</b> ' project (Ballistic Missile Defence) & reinstate the <b>Anti-Ballistic Missile Treaty</b> .
<input type="radio"/>	Continue to research, stockpile, test and prepare the first use of <b>nuclear weapons</b> .	<input type="radio"/>	Ratify the Comprehensive Test Ban Treaty to ban <b>nuclear weapon tests</b> , respect the Non-Proliferation Treaty to stop the arms race, and move towards a Treaty for complete <b>nuclear disarmament</b> .
<input type="radio"/>	Continue to develop <b>biological and chemical weapons</b> . Continue to promote the use of <b>landmines</b> .	<input type="radio"/>	Ratify the <b>Biological Weapons</b> Convention Protocol, strengthen the <b>Chemical Weapons</b> Convention and sign and ratify the <b>Landmine Treaty</b> .

### Environment & Health

<input type="radio"/>	Disregard the <b>Kyoto Protocol</b> and continue the exploration of new oil reserves.	<input type="radio"/>	Ratify the <b>Kyoto Protocol</b> to stop global warming.
<input type="radio"/>	Impose the use of <b>genetically modified foods</b> on farmers and consumers around the world through the World Trade Organisation.	<input type="radio"/>	Stop forcing the use of <b>GMOs</b> (genetically modified food and farming) on the rest of the world through the World Trade Organisation.
<input type="radio"/>	Continue to promote <b>poverty, death and diseases</b> related to <b>tobacco</b> farming and use inside and outside the United States.	<input type="radio"/>	Ratify the Framework Convention on <b>Tobacco Control (FCTC)</b> , the first global health and corporate accountability treaty.
